**Re:** Parent Communication Tool, iParent

<<School Name>> is trying out iParent, a web-based communication tool that will give you information on your child's grades, graded assignments, attendance and daily class schedule. Participation is optional. If you choose to participate, the first step is to obtain an iParent user name and password for each of your children.

Go to the website, [SIS.APS.EDU/iParent](http://SIS.APS.EDU/iParent), and enter your:

- First and last name, as it is printed on this letter
- Child's ID number, as it is on his/her school badge
- Child's date of birth

If you have more than one child, you will need to go through steps above to get a user name and password for each one. If you are unable to log on to the site or the information is not correct, you will need to contact your school.

The website ([SIS.APS.EDU/iParent](http://SIS.APS.EDU/iParent)) and iParent are in English only.

If you have any questions, please contact your school.
